This *Client Agreement*, the *Privacy Notice* and the document '*Important Information about our Services*' explains the basis under which we supply our services to you and how we will process your personal data. We refer to these documents together as the "Agreement" between us.

For your benefit and protection please read this *Agreement* carefully and ask for clarification if you do not understand anything as all the documents are important because they contain legally binding obligations relating to the *advisory services* including describing and explaining the scope of our services and the way we fulfil our regulatory obligations to you.

Words that appear in *italics* are defined in the glossary set out at the end of this *Client Agreement*.

Nothing in this *Client Agreement* limits or excludes any liability which by law cannot be limited or excluded. If you are in any doubt about this, please speak to your *Financial Adviser*.

This *Agreement* is made between the following parties:

Important Information

Communication is integral to any relationship, and we recognise that there are now more ways than ever for us to communicate effectively together. We will liaise with you in a variety of ways, including remote video or telephone meetings, letters, emails, through online communication portals and newsletters. You may at any time choose to change your preferences as to how we communicate with you.

Should you require us to make a reasonable adjustment in providing the *advisory services* to you, please speak to your *financial adviser*. Examples of reasonable adjustments may be the provision of a large print format pdf or documents provided in braille.

We are required by our regulators (the FCA) to keep records of electronic communications with our clients in relation to the arranging of transactions in pensions, investments, and insurances that are categorised as financial instruments.

We advise clients who are based in the United Kingdom (UK), if *you* do not live in the UK, or are currently staying here but normally live abroad, there may be restrictions on how we can advise *you*. This also applies if *you* are currently staying in the UK and plan to move abroad or return from another country. If any of these situations apply to *you*, please let *us* know immediately so that we can check we are in a position to act for *you*.

In order to provide the *advisory services*, we need to obtain and retain information about *you*. Where *you* fail to provide this information, we will likely be unable to provide the requested *advisory services*. Additionally, we retain the right to refuse to offer *advisory services* to *you*.

We are not tax advisers and therefore recommend that *you* take specialist tax advice.

For the purposes of the *FCA* rules, *you* will be categorised and treated as a *retail client*. This means *you* will be given the highest levels of protection available, including access to the Financial Ombudsman Service (subject to their eligibility criteria).

We do not hold client money and therefore cannot receive it. Please do not send *us* any funds for investment.

When giving *us* instructions, if they are provided via the telephone, we may, at *our* discretion, ask *you* to confirm in writing via email or via *our portal*. We will take reasonable steps to carry out *your* instructions in a reasonable timeframe and in accordance with this *Client Agreement*. If *you* change *your* mind, depending upon the instruction, it may not be possible to unwind any actions taken based on *your* instruction.

Your Accounts

Where there is more than one party to an *account*, we will treat *you* all as joint investment/ policy holders or *joint tenant* unless explicitly informed in writing by all parties that this differs. We and the *custodian* will accept instructions from any *joint tenant* and any action taken based on these instructions will be binding on all parties to the *account*. Additionally, we will:

- Hold both parties jointly and severally liable for all obligations under this *Agreement*; and
- Treat any payment (for accounting) made to any one or more of the *joint tenants* as being made to all.

You may also allow a third party to provide instructions on *your* behalf by providing a valid Power of Attorney or providing other confirmation as requested by *us*. *You* must inform *us* promptly should *you* wish to revoke this and/ or the Power of Attorney is terminated or expired. We accept no responsibility for acting on a third party's instructions where they are authorised by *you* to provide *us* instructions.

Advisory Services

We offer *advisory services* whereby we will consider *your* personal and financial circumstances to advise *you* on *your* financial needs.

We are a whole of market, *independent* financial services firm providing *advisory services* that includes a range of investment solutions, including retirement planning, estate planning and financial protection.

We will also consider and, where appropriate, recommend suitable personal protection cover for *you*. We offer products from a range of insurers or all non-investment insurance products which include term assurance, critical illness, private medical insurance, permanent health insurance, and accident and sickness and unemployment insurance.

As part of this service, we work with third party underwriters who will assist with obtaining and finalising a quotation.

We will provide you with a *suitability report* which will explain our recommendations and why we consider it is suitable for your needs. Our advice will be *independent* or whole of market unless the *suitability letter* explains any limitation or restriction on the advice provided. Only once you have confirmed your instructions will we proceed with *implementing our recommendations*.

We need to understand your personal and financial circumstances. It is important that you provide us with all the information we ask for and ensure it is accurate and a true reflection of your circumstances. If you fail to do this, we may provide advice to you which is not suitable and, for which, we accept no responsibility.

There may be situations where the firm providing a service requires us to enter into an agreement with them as your *agent*. As your *agent* the provider would treat us as their client for the purposes of the FCA rules. This means that you would not have a direct relationship with the provider. As we are an FCA authorised firm typically this would mean that the provider would categorise us as a 'per se professional client' (rather than a *retail client*) and your *financial adviser* will either ensure you are treated as a *retail client* or that the implications of us being treated as a professional client are explained to you fully such as FSCS protections and Financial Ombudsman Service rights.

Before recommending any products or services, we will discuss with you the financial risks of those products.

What we will do for you

You agree to appoint us for the purpose(s) of;

- Investments & Pensions, for example an ISAs or Personal Pension Plan.
- Reviewing your existing portfolio of investment and pension products and confirming whether they remain suitable for your needs.
- Arranging any new investments, we recommend should you accept our advice.
- Providing periodic on-going reviews of your existing and/or any new investments we arrange on your behalf to ensure they remain suitable for you.

Initial Services:

- Completion of a detailed fact-find to establish your individual circumstances, needs and objectives.
- Gathering full details of your existing investments/pensions and establishing whether they remain suitable for you.
- Undertaking comprehensive research in consideration of any new investments we recommend and/or to establish the continued suitability of your existing arrangements.
- Preparation and provision of our recommendations in a *suitability report* tailored to your individual circumstances and needs.
- Arranging any new investments or pension products we recommend should you choose to proceed with our advice.

Ongoing Services:

- Should you choose to proceed with our recommendations, we will provide you with our Ongoing advice and review service, as described in the '*Important Information about our Services*' document we have supplied to you, until either you, or we, consider this service to be no longer appropriate for your needs.

Fees

The fees *you are* required to pay for *our advisory services* are set out in the *suitability report* and any subsequent charges confirmation. *You* will need to provide confirmation of *your* acceptance by approving them expressly or by written consent.

For investments, *we* arrange and oversee on *your* behalf, there are two principal fees. A fee based on the work *we* do to arrange the initial investment, and a fee based upon any ongoing reviews which *we* will do on *your* behalf. *You* may ask *us* to undertake other work not directly linked to a particular investment, for this, *we* will agree a fee based on *our* hourly rate, either one-off or ongoing before *we* undertake this work.

For insurance, *we* may be paid a commission from the insurance company *we* recommend which may be used to offset against any fee *you* would normally pay *us* for insurance advice. If so, *we* will not charge *you* a fee for advising or arranging insurance products. *You* will receive an illustration specific to the product *we* recommend which will tell *you* the amount of commission *we* will receive. However, this commission is only payable if *you* purchase a protection product. Where commission has been paid to *us* and *you* cease to pay the premiums or cancel the insurance product within the 'claw back period', *we* may be obliged to refund some or all commission to the insurance company. *We* reserve the right to charge *you* a contingency fee, which will not exceed the amount of commission that has been refunded.

Value added tax (VAT), unless otherwise stated, *our* fees and charges are exclusive of any applicable VAT or similar tax. If VAT is chargeable in relation to any *advisory services* *we* supply *you*, this VAT will be payable in addition to the fee, charge or payment for that *advisory service*, at the same time as the fee, charge or payment by reference to which VAT is calculated. If *you* would like more information on the charges that require payment of VAT and those that are exempt, *we* can arrange this for *you* upon request.

There may be other costs, including taxes that are due through other organisations (such as the product provider) that *we* may not be linked to. These charges will normally be explained in the relevant documents from the other organisations, for example a key features document.

What will *we* charge *you* for the services?

You agree to pay *us* the following for the *advisory services*

- Initial Service - There will be a charge of 3% of the value of the funds that *we* advise on with a minimum of £1,350 fee. Based on the value of *your* funds, *our* fee will be £4,794.
- Ongoing Services - For most investment funds that *we* transact on *your* behalf, *we* charge an ongoing annual review management charge of 1% (subject to a minimum fee of £100), which is automatically taken from the funds invested. The amount *you* pay will fluctuate with the value of your investment.

The fee(s) will become payable when *you* agree upon advice that has been given and will be settled by from *your* pension/investment.

If *you* pay *our* fees late, *we* may charge *you* interest at a rate of 4% per annum above the Bank of England base rate from time to time accruing on a daily basis from the due date until payment is received. *We* will also charge a handling fee of £50 and shall seek to recover all *our* costs (including legal costs) allowable by the Courts if an award is made in *our* favour, in recovering any amounts due to *us*.

Cancellation Rights

After *you* enter into this *Agreement*, *you* have 14 days to cancel without incurring liability unless *you* have agreed to start services prior to the expiry of that period. Should *we*, with *your* agreement,

have carried out any services in the 14-day cooling off period, *you* will be liable to pay for those services.

In the case of some of the products provided in accordance with *our advisory services*, *you* will have the right to withdraw or cancel the contract within a set period (life and pensions is typically 30 days whereas non-life and pensions business is typically 14 days). Life-assurance contracts show details of these rights in the product literature such as the Key Features document or *we* may give *you* details in a separate communication.

Our Liability to You

We are responsible to *you* for foreseeable loss and damage caused by *us*. If *we* fail to comply with the *agreement*, *we* are responsible for loss or damage *you* suffer that is a foreseeable result of *us* not complying with this *agreement* or *our* failing to use reasonable care and skill. *We* are not responsible for any loss or damage that is not foreseeable or not caused by *our* failure to comply with this *agreement*. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time this *agreement* is signed, both *we* and *you* knew that it might happen, for example, if *you* discussed it with *us* during the factfinding stage.

We do not exclude or limit in any way *our* liability to *you* where it would be unlawful to do so. This includes liability for death or personal injury caused by *our* negligence or the negligence of *our* employees; for fraud or fraudulent misrepresentation; for breach of *your* legal rights in relation to the *advisory services* including the right to receive products which are as described and match information *we* provided to *you* and supplied with reasonable skill and care. Nothing within this *agreement* is intended to limit *our* liability to *you* in any way that is not permissible by the FCA.

We are not responsible for delays outside *our* control. If *our* supply of services is delayed by an event outside *our* control, *we* will contact *you* as soon as possible to let *you* know and *we* will take steps to minimise the effect of the delay. Provided *we* do this, *we* will not be liable for delays caused by the event, but if there is a risk of substantial delay that is not within the ordinary course of business for the *advisory services* *you* have agreed to, *you* may contact *us* to end the *advisory services* and, where possible, receive a refund for any services *you* have paid for but not received. In some cases, it may not be possible to end the *advisory services*, in such circumstances, details of these limitation will be discussed with *you* at the time the delay arises.

We are not responsible if *you* fail to provide or fail to update information that *we* need and have asked *you* to send to *us*, so that *we* can provide *you* the *advisory service*. *We* will collect information from *you* from time to time, the failure to provide this information, and/or update the information if it changes, may result in the *advisory services* *we* offer *you* not being suitable for *your* need and/or cause *you* a loss.

Ending this Agreement

You and *we* can each end the *advisory services* and/or this *agreement*. Either party may end this *agreement* in whole or (where possible) in part, by giving the other party 30 days-notice in writing. If *you* wish to end this *agreement*, please send us notice as follows:

The notice period will begin from the date the notice is received.

- *You* commit a material breach of this *agreement* which cannot be remedied or (if such breach is remediable) *you* fail to remedy that breach within 10 business days of being asked in writing to do so.
- *You* enter into insolvency, are declared bankrupt, or otherwise unable to pay *your* debts as they fall due.
- *We* have reasonable grounds for believing that *you* have committed or are about to commit a crime in connection with *your* use of the *advisory services* *we* provide *you* with
- *We* are required to terminate *our agreement* by any competent regulatory authority or as a matter of law.

Data Protection

Information on how *we* use and protect *your* personal information is in *our* Privacy Notice which is available at www.tfaswealth.com/privacy-policy and is provided to *you* as part of this *agreement*.

Death

Once *we* receive written notification of death and a certified copy of the death certificate, *we* will confirm to the personal representative what *our* requirements are to allow *us* to take instructions from them. Once these requirements are met, *we* will be able to take instructions from the personal representative and this *agreement* will become binding on them. *We* will stop ongoing service fees as soon as feasibly possible having been notified of the client's death. Any ongoing fee that has been received up to that point can be considered to cover the work *financial advisers* may be requested to carry out. If additional work is required or if ongoing fees have not been received a time-based fee may be charged.

If the *account* is held in joint names and *we* are notified that one of the *account* holders has died, subject to the last Will, *we* will continue to take instructions from the surviving *account* holder and transfer the *account* into their sole name or take instruction from the deceased's executors.

Variation

We may amend this *agreement* from time to time, in whole or in part, for the following reasons:

- To reflect changes in costs, charges, taxes, duties or interest that are relevant to *your advisory services* or that *we* incur or expect to incur in providing *our advisory services* to *you*.
- To reflect changes in law, *FCA* rules or regulations, or decisions of the Financial Ombudsman Service
- To meet regulatory requirements or industry guidance or best practice
- To make this *agreement* easier to understand or fairer, or to correct mistakes.
- To reflect changes in market practice or conditions
- To reflect the way that *our advisory services* are used and ensure that the costs of those *advisory services* are allocated fairly among *our* clients.

We will give *you* at least 30 days' written notice of any changes to this *agreement* unless *we* are required to make the change sooner (for example for regulatory reasons). Such notice may be delivered either by post, email or via *our portal*. If *you* do not agree to the change, *you* may contact *us* to end the *advisory services* before the change takes effect and receive a refund for any *advisory services* paid for but not received, save that *you* do not have a right to end the *agreement* where any change is required by law or regulation.

Outsourcing or changing TFAS company

We may delegate performance of *our* obligations under this *agreement* to third parties (including other companies within the wider group) and may provide information about *you* and *your account* in relation to the services to any person to whom such activities have been delegated (and *you* hereby consent to any such disclosure), but *our* liability to *you* for all matters so delegated will remain with *us*.

We may transfer *our* rights and/ or obligations under this *agreement* to another organisation, for example if *we* became acquired, including another company within our group. We will contact *you* to let *you* know if *we* plan to do this and *we* will ensure that the transfer will not affect *your* rights under this *agreement* and that *you* are not disadvantaged by the transfer. If *you* are unhappy with the transfer, *you* may contact *us* to end the *agreement*.

Conflict of Interest

To ensure that clients' interests are always put first, *we* operate a conflicts of interest policy. If a potential conflict of interest does arise it will be actively managed, and *we* have arrangements in place to ensure that all *our* clients are treated fairly. We will, where appropriate, notify *you* of conflicts and/ or obtain *your* consent to proceed.

Complaint Procedure

If *you* are not happy with the service *you* have received *you* can request a copy of *our* complaints procedure that sets out how *we* will handle *your* complaint. Please refer to *our* 'Important Information about *our* Services' document for further details on how *you* can make a complaint.

Protection is at 100% where claims arise in respect of compulsory insurance (e.g. employer's liability insurance), professional indemnity insurance and certain claims for injury, sickness or infirmity of the policyholder.

You can obtain more information about compensation scheme arrangements from the FSCS online at www.fscs.org.uk

Other Important Terms

This *agreement* is between *you* and *us*. No other person shall have any rights to enforce any of these terms. Neither of *us* will need to get the agreement of any other person in order to end the contract or make any changes to these terms. However, where *we* provide services by a third party, it is possible that the third party will require *you* to agree to its terms and conditions.

Each paragraph in this *agreement* operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

If *we* do not insist immediately that *you* do anything *you* are required to do under this *agreement*, that will not mean that *you* do not have to undertake any such actions and it will not prevent *us*

taking steps against *you* at a later date. For example, if *you* miss a payment and *we* do not chase *you* but *we* continue to provide the *advisory service*, *we* can still require *you* to make the payment at a later date.

This *agreement* is governed by law of England and Wales, and *you* can bring legal proceedings in respect of the *advisory services* and any products in the English courts.
