WHO ARE WE AND WHAT DO WE DO?

TFAS Wealth Limited believe that when people want access to expert and impartial advice on their options for investment, they want it to be a friendly and efficient service. We take enormous pride in being able to welcome our clients to our easy and straightforward service delivering what they want and need.

As an independent provider of financial advice, we do not act on behalf of any product provider, bank or insurance company so have only our clients' best interests at heart.

Any advice or recommendation that we offer you will be based on your defined and agreed objectives, the level of risk you are willing and able to take and any restrictions that you wish to place on the type of investments, markets or products you would be willing to consider. We will send you a suitability report, which confirms all of these points. Full details of the plans we recommend will also be provided to you before arranging your solution.

TFAS Wealth Limited is directly authorised and regulated by the Financial Conduct Authority (FCA). The FCA is the independent regulator of financial services in the United Kingdom. TFAS Wealth Limited is entered on the Financial Services Register (www.fca.org.uk/register) under reference 968148.

What can we do for you?

Our mainstream service is to act on your behalf for the purpose of arranging and advising on the following:

- Investments & Pensions, for example an ISAs or Personal Pension Plan;
- Personal & Family Protection, for example a Life Assurance or Critical Illness Plan;

For all the services described above we will complete a detailed fact find so we can understand your circumstances, specific needs and objectives to determine if these services are suitable for you. We will then undertake research in order to provide a personal recommendation(s) and related information relevant to your individual circumstances. If, after due consideration, you would like to accept any or all of our recommendation(s), we will then implement them and arrange any products and/or related services on your behalf.

Once your financial plans are in place it is important to keep them under review. Subject to the type of services you require from us, we can continue to act on your behalf through one of our service packages. Ultimately, whichever type or level of service is suitable for you we will act in your best interests at all times.

We take the security of your data very seriously. You can find our Privacy Notice at the following location:

Further details about these and other related services we provide are contained in the pages below. This also confirms the typical cost and how you can pay us for them.

IMPORTANT INFORMATION

This may be generally or in respect of a particular service, type of transaction or product, and is subject to the following:

- All requests for re-classification must be made in writing.
- We will consider such requests on a case-by-case basis against the criteria set out in FCA rules.
- We will confirm the scope of any re-categorisation along with the consumer protections you will lose as a result.
- You must keep us informed of any change to your circumstances that could affect your classification.

INFORMATION ABOUT OUR INVESTMENT & PENSION SERVICES

We offer a range of services to help you meet your investment and/or retirement objectives. We provide independent advice, which means that our recommendations to you will be based on the following selection criteria:

1. We will determine which, if any, of the following types of investment or pension products are capable of meeting your needs, along with any associated 'tax wrappers' available (e.g. an ISA):
 - Open Ended Investment Company Funds (OEICs) including Exchange Traded Funds (ETFs), Unit Trusts and Investment Trusts;
 - Personal Pensions, Stakeholder Pensions, Self-Invested Personal Pensions (SIPPs) and Annuities;
 - Insurance Based Investments, including Capital Investment Bonds and Endowments;
 - Structured Capital at Risk Products (SCARPS) and Structured Deposits;
 - Certain Specialist Investments suitable for retail clients, including Venture Capital Trust (VCT) Investments and Enterprise Investment Schemes.
2. We will then consider a broad range of different providers of these products from a fully researched panel that is representative of the whole of the market available to financial advisers and which we review on a regular basis using factors such as the risks, costs, complexity and their competitiveness in the marketplace.

Related Service Providers

Subject to your individual needs and objectives, we may also recommend that you hold and trade your investments and/or pensions in one place via a Platform Service. We may also recommend that some or all of your investments and/or pensions are managed by a Discretionary Investment Management Service (DIMS).

We will consider a broad range of these service providers from a fully researched panel that is representative of the whole of the market and which is also reviewed on a regular basis as described above.

We may recommend products or services related to your investment and pension needs which are not regulated by the Financial Conduct Authority. For example, cash deposits, National Savings & Investment Products (NS&I), or Inheritance Tax Planning (IHT).

OUR CHARGES

A description of our initial and ongoing services, their associated costs and payment terms, is provided below. The amount we charge, and the basis of the payment will depend on the service most suitable to you and your individual circumstances.

We will discuss your payment options with you and answer any questions that you may have. We will let you know if you have to pay VAT on the cost of our service. It is possible that other costs, including taxes related to the business we conduct and products we arrange for you, may arise. These costs will not be paid by our firm but borne by you. Our typical fees for advice and arranging an investment or pension on your behalf are set out below.

Initial Advice Services

There is no charge for our initial discussion. Only if you decide to proceed with our recommendation or any plans are arranged the charge becomes payable for our services. This charge relates to the advice we have provided and includes all of the work involved in analysing and researching the options available to you. Furthermore, this charge covers all of the work involved in setting up your chosen investment solution. The amount that you pay us is as follows.

Investments & Pensions - Basic Advice Charge

There will be a charge of 3% of the value of the funds that we advise on. In order to ensure we are able to consistently provide a high standard of professional service, our minimum initial advice fee for Pensions & Investment related advice is £1,350.

This service is typically only suitable for clients with at least £45,000 to invest.

For advice on regular contributions to a pension or savings plan, the cost of our initial advice is equal to 30% of the first year's payments.

This service is typically only suitable for clients who are in a position to save at least £250 per month.

EXAMPLE:

Advice relating to a lump sum

If the value of funds on which we advise were £50,000 our fee would be £1,500

If the value of funds on which we advise were £40,000 our fee would be £1,350

EXAMPLE:

Advice relating to a regular contribution

If the value of the contribution was £300 per month, the total advice cost would be £1,080. This cost can be spread over the first 12 months of the plan. Please refer to the section and table on page 6 to see how this can work in practice.

On-Going Advice and Review Services

In many cases it will be important to regularly review your situation and the ongoing suitability of any plans, particularly for investments. Should you agree, TFAS Wealth Limited aims to revisit and review your plans at least annually.

The service includes:

- Review meeting at least once a year and recommendations which may include the following as part of this service; bed and ISA, fund switches, drawdown withdrawals, portfolio rebalance, updated fact find and attitude to risk.*
- Statements and Performance Reports twice per year.
- Cash flow analysis when relevant and beneficial.
- Family benefit where you can have an adviser fee free advice for direct family members for their ISA or pension set up on top of up to three hours advice for your children.
- Regular market updates.
- Quarterly e-magazine.
- On-line access for portfolio valuations.
- Access to your adviser should you need us in the meantime.

For most investment funds that we transact on your behalf, we charge an on-going annual review management charge of 1%** (with a minimum fee of £100 per annum). The amount you pay will fluctuate with the value of your investment. If this increases in value, the amount you pay us will also increase – for example:

<i>Date of valuation</i>	<i>Value of investment</i>	<i>Annual charge</i>	<i>Amount due</i>	<i>Increase</i>
<i>1st May 2017</i>	<i>£50,000</i>	<i>1%</i>	<i>£500</i>	
<i>1st May 2018</i>	<i>£55,000</i>	<i>1%</i>	<i>£550</i>	<i>£50</i>

However, if your investment falls in value the amount you pay us will reduce – for example:

<i>Date of valuation</i>	<i>Value of investment</i>	<i>Annual charge</i>	<i>Amount due</i>	<i>Decrease</i>
<i>1st May 2017</i>	<i>£50,000</i>	<i>1%</i>	<i>£500</i>	
<i>1st May 2018</i>	<i>£45,000</i>	<i>1%</i>	<i>£450</i>	<i>£50</i>

*We will attempt to contact you each year (in line with our contact strategy) to complete your annual review. However, if we are unable to contact you, we will review your investments based on the information we hold. We will do this for 2 years. However, if we are unable to contact you for a third year, we will cease providing ongoing servicing; ceasing our fee, and your investments will no longer be monitored by us. This is because we feel it is imperative to have an up to date understanding of your personal circumstances. We will inform you when your ongoing service is being terminated. At this time, you will be allowed to contact us within 60 days to reinstate any ongoing service. After this time, you may have to pay an initial review fee when reinstating your ongoing service.

**Our standard ongoing fee is usually 1% per annum, with a minimum ongoing fee of £100 per annum. If your investment value reduces below £10,000, the overall % of our ongoing fee will increase above 1.00%. At this point, we will contact you to discuss your ongoing service and determine whether this is still of value to you.

What are your payment options?

- We accept direct payment by cheque or bank transfer.
- We do not accept cash or credit cards.

- We will tell you if it is possible to settle our fees through a deduction from your investment/pension.
- For new investments and pension plans funded by regular contributions only, you can choose to pay our fees by instalments.
- We will allow you to settle our fee in up to 12 monthly instalments over a maximum term of 12 months.
- If you choose this option, we will not provide you with any further services until all the instalments have been paid in full.
- If you choose to pay instalments as a deduction from your investment/pension, although you pay us nothing up front this does not mean our service is free. You are still paying us indirectly through deductions from the amount you pay into the product.
- These deductions will go towards settling our fee and will reduce the amount left for investment. An example of how this payment plan works in practice is set out below.

Example

You choose to accept our recommendation to invest **£300 per month** into an investment product. Our fee for advice and arranging this on your behalf is **£1,080**. You choose to settle our fee in **12** equal monthly instalments deducted from your first **12** monthly contributions to the product, as follows:

Investment Frequency	Contribution Amount	Fee Deduction	Amount Invested
Month 1	£300	£90	£210
Month 2	£300	£90	£210
Month 3	£300	£90	£210
Month 4	£300	£90	£210
Month 5	£300	£90	£210
Month 6	£300	£90	£210
Month 7	£300	£90	£210
Month 8	£300	£90	£210
Month 9	£300	£90	£210
Month 10	£300	£90	£210
Month 11	£300	£90	£210
Month 12	£300	£90	£210
Month 13 onwards	£300	N/A	£300

- **Please note that if you cancel your investment or pension product before our fee is settled in full, including cancellation during a statutory cooling off period, you will need to make alternative arrangements to pay our fee.**

Other benefits we may receive

We are not otherwise permitted to receive or retain any financial inducements, significant gifts or hospitality from investment product providers, for arranging investments.

INFORMATION ABOUT OUR INSURANCE SERVICES

Personal and Family Protection

We are insurance intermediaries who offer products from a range of insurers based on a fair and personal analysis of the market for, Life Assurance, Critical Illness Cover, and Income Protection Insurance.

How much do we charge for our insurance services?

We do not charge a fee for advice and arranging an insurance product. We will receive commission from the insurer, and this is reflected in the premium amount you pay to them. The amount of commission we receive will vary depending on the type of contract, term of the cover and the premium amount. We will tell you how much commission we expect to receive before we transact business for you. You will receive a quotation, which will tell you about any other fees relating to any particular insurance policy we arrange for you. We are not otherwise permitted to receive or retain any financial inducements, significant gifts or hospitality from insurance product providers, for arranging insurance contracts on your behalf.

OTHER COSTS AND ASSOCIATED CHARGES

There may be other costs, including taxes that are due through other organisations (such as the product provider) that we may not be linked to. These charges will normally be explained in the relevant documents from other organisations, for example a Key Features document.

RISKS

Investment risks: The performance of individual funds and any portfolios containing them will rise and fall over time and it is important to remember the value of investments can go down. Your financial adviser will recommend funds or services including those researched by TFAS Wealth centrally with oversight of our Group Investment Committee. Please be aware that the past performance is not a guide to future performance.

Insurances: If you do not keep up with the payment of premiums the cover will cease to exist. You should not cancel any existing insurance cover unless you no longer require it and/ or you have an appropriate replacement policy in place. If you wish to cancel existing insurances, then you must inform the insurance company.

Material facts: It is important that you reply honestly and fully to all the questions you are asked either directly or from your adviser or on the application forms of the institutions we introduce to you. If you do not do so this will affect your ability to obtain loans today or in the future and could also prevent an insurance company agreeing to pay out any claim you may make under the insurance policy.

NOMINEE AND SAFE CUSTODY SERVICES

We do not look after or deal with your assets, but we may arrange business with another company which will provide custodian service for your assets. If this is the case, we will register the legal title (ownership) of the investments in the name of the organisation they choose. We will send transactions to the fund supermarket, investment wrap platform, or similar third-party investment institution for them to carry out. We will place money or transferred assets with them to invest, we will never hold assets for you. We will give you the relevant account opening details for them such as their terms and conditions, nominee and safe custody service, best-execution policy, execution venues and conflicts of interest policy (or equivalent documents). For non-platform business we will make arrangements for your investments to be registered in your name, unless you instruct us otherwise in writing.

WHAT HAPPENS IF YOU HAVE A COMPLAINT?

If you are unhappy with the service, you have received or a product we have arranged on your behalf, a copy of our complaint's procedure, which sets out how we will handle your complaint, is available upon request.

If you would like to make a complaint, please contact us either in writing to: **TFAS Wealth Limited, St Andrew House, 119 – 121 The Headrow, Leeds, LS1 5JW**; or by e-mail: **karina.bowden@tfas.com**; or by telephone: **0800 888 6100**.

ARE WE COVERED BY THE FINANCIAL SERVICES COMPENSATION SCHEME (FSCS)?

Yes, we are covered by the FSCS. You may be entitled to compensation from the scheme if we are unable to meet our obligations. This will depend on the type of business and the circumstances of the claim. The FSCS only pays compensation for financial loss and the limits are per person per firm, and per claim category, as listed below:

Investments:

Arranging and advising on most types of investment (e.g. an ISA) is covered up to a maximum limit of £85,000 per person per firm.

Long Term Insurance Contracts:

Arranging and advising on long term insurance contracts (e.g. a life insurance or critical illness policy) is covered for 100% of the claim without upper limit.

Further information about the FSCS is available from their website: **www.fscs.org.uk**
