Charges information

Dear Mrs Melanie Anness

Thanks for choosing to invest with Aviva. Before you invest, we're providing you with an estimation of the costs and charges that you may pay when you invest.

If applicable, this document shows any initial or one-off charges, confirmation of any charges paid to us or your adviser and any associated investment charges. We'll also break down the costs and charges you may incur when you invest in specific categories to help you understand further what you might pay when you invest with us.

You should read this document along with your relevant Aviva illustration, which shows the potential benefits you could receive.

If you have any questions or haven't agreed to the adviser charges detailed, please contact your adviser in the first instance. If you have any further questions, please contact us on **0800 068 2170** between Monday to Friday, 8.30am to 5.30pm.

Yours sincerely

The Aviva Customer Team

Investment charges

The following table confirms where your investments will be placed. It shows whether there are any initial or ongoing charges (additional to any shown previously) taken by the manager of those investments which could include either of the following:

- Ongoing charges figure (OCF)
- Total expense ratio (TER)

These fees are made up of the annual management charge (AMC) and other operating costs which are included in the calculation of the investment valuation.

Cash balances

Cash within the ISA Portfolio, Junior ISA Portfolio, Investment Portfolio and Pension Portfolio is held in one or more interest bearing client money bank account(s) with external account providers of our choice. This cash will be held in accordance with the Financial Conduct Authority (FCA) client money rules, as amended from time to time.

The interest rate payable is 3.05% annual equivalent rate (AER) and is variable. AER illustrates what the interest rate would be if interest was paid and compounded once each year. Interest rates can be positive, zero or negative. Interest will be credited to your cash account monthly on or around the 1st of each month.

To check the current interest rate on the cash account at any time, go to aviva.co.uk/bank-interest-rates/

You can't select 'cash' as an asset for the Onshore Bond. Any cash within the Onshore Bond is only held for transactions and doesn't earn any interest.
