Payments

Pension input period

Tax year	Amount paid in	Start date	End date
2025/2026	£0.00	6 Apr 2025	5 Apr 2026
2024/2025	£0.00	6 Apr 2024	5 Apr 2025
2023/2024	£0.00	6 Apr 2023	5 Apr 2024
2022/2023	£0.00	6 Apr 2022	5 Apr 2023
2021/2022	£0.00	6 Apr 2021	5 Apr 2022
2020/2021	£756.14	6 Apr 2020	5 Apr 2021

Previously your client could choose when the pension input period started and ended. On 8 July 2015 the government changed this, so from 6 April 2016 these will be aligned with the tax year for everyone. This means your client has more than one pension input period for the 2015/2016 tax year when the alignment took place.

Do payments go up automatically (we call this Indexation): **No**

Does the plan accept additional transfers: **Yes**

Your client can get 24/7 access to their pension at MyAviva

Your client can look at their plan online 24/7. They can keep track of their pension and most other policies they have with us, in one secure and convenient place, at myaviva.co.uk.

They can check their life insurance policy, find car insurance documents and even view pension statements from previous years. Registering for MyAviva is quick, and it's completely free. It's just one of the ways we're making life easier for our customers.

What if your client doesn't want to keep making payments?

They can still keep the pension money built up in this pension with us (until age 75).

Plan holder: [REDACTED]

Plan number: SP50163762

What if your client doesn't want to keep making payments?

We'll still manage the plan and continue to send yearly statements. They'll stay invested in their chosen funds (unless we're told to change them) and the value of the plan will go down or up depending how these funds perform. Just be aware that we will continue to take charges from the plan (details of these will be in the statements). Also remember that the effect of inflation and any charges will reduce how much pension money is worth over time. Alternatively, your client can transfer the pension money to another provider if preferred.

Your client's pension money has to stay in a pension until they at least reach the minimum pension age. This is currently age 55 (57 from 6 April 2028). However, depending on their circumstances they may be able to access their pension pot earlier such as when they have a protected pension age (to find out more visit [aviva.co.uk/nmpa](https://www.aviva.co.uk/nmpa)) or are unable to work due to ill health or incapacity.

Your client's retirement options

Income Drawdown

Moving funds to drawdown is available for this plan from age 55 (57 from 6 April 2028). We allow ad hoc payments to be taken, but don't offer a regular withdrawal facility.

Moving to income drawdown isn't possible after age 75. But once funds have been moved to income drawdown, the money can remain invested for the rest of life.

Taking the fund as a cash lump sum, known as a full/partial UFPLS (Uncrystallised Funds Pension Lump Sum)

It's possible to take 100% of your plan value or a partial lump sum from age 55 (57 from 6 April 2028). It's not possible to take a cash lump sum after age 75.

Annuity income

The planholder can take their pension as an income.

Open Market Option

Different providers offer different products and services. We always recommend shopping around

Your client's retirement options

The importance of age 75

Your client must decide how to take their retirement benefits before their 75th birthday. If you haven't told us, and no funds have been moved into income drawdown, we'll automatically move their pension funds into an annuity. We'll do this the working day before their 75th birthday. Where part of the plan has already been moved to income drawdown, we will move any remaining accumulation funds to income drawdown at age 75.

Death benefits before retirement

If the plan holder dies before retirement, in most cases we can:

- pay a lump sum,
- move funds to a dependant's or nominee's flexi-access drawdown or
- move funds to a dependant's annuity.

Death benefits after retirement

The benefits payable following the plan holder's death in retirement will depend on the options chosen at retirement.

For more information go to connect.avivab2b.co.uk/adviser/ and click on 'Retirement'.

Estimated maturity value

We've based all these estimated values on the plan value of £3,744.36 as of **22 September 2025**. The fund value we've shown above doesn't include any bonuses. However the estimated values in the table below include any bonuses and take into consideration any investment approach (if applicable).

We've worked out what we think the pension plan could be worth on 7 June 2026. This is based on no further payments being made.

These figures are estimates only and aren't guaranteed. Actual amounts could be more or less and may be worth less than has been paid in.

If the investment goes up or down each year by	-0.4%	2.5%	5.5%
We estimate the total retirement fund may be	£3,720	£3,800	£3,870
When your client retires they can use the money in this plan to fund their retirement. There are different ways to do this and we'll contact them nearer the time.			
If we use current Aviva annuity rates when they retire			
They may get a yearly pension of	£280	£285	£291
or a tax free lump sum of	£930	£950	£969
and a smaller yearly pension of	£210	£214	£218

Plan holder: [REDACTED]

Plan number: SP50163762

Estimated maturity value

We've worked out what we think the pension plan could be worth on 7 June 2031. This is based on no further payments being made.

If the investment goes up or down each year by	-1.4%	1.6%	4.5%
We estimate the total retirement fund may be	£3,360	£3,970	£4,680
When your client retires they can use the money in this plan to fund their retirement. There are different ways to do this and we'll contact them nearer the time.			
If interest rates at the retirement date are	2.5%	4.5%	6.5%
They may get a yearly pension of	£274	£374	£503
or a tax free lump sum of	£841	£994	£1,170
and a smaller yearly pension of	£205	£281	£377

The quotes above assume your client's retirement income:

- will be paid in monthly instalments
- will be paid for a minimum of 5 years and continue for the rest of their life
- will stay the same amount for the rest of their life

Our figures take inflation into account, which reduces how much investment and savings are worth. The effect of inflation means the fund may reduce as well as grow in "today's money". We've assumed inflation will be 2% a year until retirement.

These figures are estimates only and aren't guaranteed. Actual amounts could be more or less and may be worth less than has been paid in.

As we review the growth rates we use for illustrations these may change in the future. Our charges may also change.

Your client can choose the age at which they take their retirement income, this can't normally be before the age of 55 unless they have a protected pension age (from 6 April 2028 this will be 57 - to find out more visit [aviva.co.uk/nmpa](https://www.aviva.co.uk/nmpa)).

Please remember the HM Revenue & Customs rules which govern this plan may change in the future. If this happens, it could affect the payments the plan holder makes into it, how and when they can take out their money, and also how it'll be taxed.

Don't forget...

We have a range of options your client may find suitable if they're thinking about transferring. If you'd like more information please contact us or visit connect.avivab2b.co.uk/adviser/.

We've enclosed discharge forms if your client wants to transfer this plan. However, please remember this plan is supported by Origo options.

Please note that **in-specie transfers** (where funds are transferred between pension schemes without first selling the units) aren't possible for this product. We offer cash transfers only.

- Pensions together in one place with Aviva could save money for your client and time and admin costs for you
- Our pension portfolio is a flexible, online, self-invested pension with access to thousands of investment choices and income drawdown facility

Beware of pension scams

Most pension transfers are problem-free, however there are some instances of people being victims of pension scams. It's a legal requirement to check a transfer for signs of a pension scam. Before the transfer can proceed, it must meet one of the following conditions:

1. the receiving pension scheme is a master trust or collective money purchase pension scheme authorised by The Pensions Regulator, or a public service pension scheme; or
2. there are no warning flags indicating a pension scam. If warning flags are present, you may have to seek transfer guidance from MoneyHelper, a free and impartial service. In some circumstances, your transfer may be stopped to protect your pension savings.

You'll be contacted if there are any concerns about the transfer or if further information is required. You can also check fca.org.uk/scamsmart to find information about known investment scheme scams.

Transferring your plan

Before a transfer can be made to a new provider, please send us:

1. The form 'Transfer form – Plan holder', completed by the plan holder
2. The form 'Transfer form – New pension provider', completed by the new provider

It's essential that these two forms are returned together:

- by post to Aviva, PO Box 520, Norwich, NR1 3WG, or
- by email to [REDACTED]

We can't transfer your plan until we have received both completed forms.

Transfer form - Plan holder

To be completed by the plan holder

Please fill in this form completely using black ink and in BLOCK CAPITALS.

Important: In-species transfers (where funds are transferred between pension schemes without first selling the units) aren't possible for this product. We offer cash transfers only.

I understand that:

- the values given to me, and any illustration of benefits I have received, are not guaranteed and may go up or down in the future. The amount Aviva transfers may differ from the amounts quoted.
- where the payment represents all of the benefits under the plan, then Aviva is discharged from its obligation to make any further payments under that plan.
- where the payment represents only part of the benefits under the plan, Aviva is discharged from its obligation to make any further payments in respect of that part of the plan represented by the payment.
- any payment does not discharge Aviva for any act/error in dealing with the plan.
- if the benefits are moved to another provider, Aviva cannot accept them back into this plan.

What this means to you:

- 1) The value we transfer may be different to the amount shown in any quote we may have given you.
- 2) When all the money in your pension plan is transferred to your new provider we won't be responsible for paying you any more money from that plan.
- 3) When part of the money in your pension plan is transferred to your new provider we'll only be responsible for the money that's been left in your Aviva plan. We won't be responsible for the amount we've transferred to your new provider.
- 4) Even if we transfer some or all of the money in your plan to a new provider, we'll still be responsible if we later find we've made a mistake with your plan.

Your advice and guidance

Pensions and retirement options are complicated things and deciding what to do with your pension can feel a bit like the flat-pack chair laid out before you in a hundred pieces. Now, where did those instructions go?

Good news! There is guidance to help you sort the left leg from the right, screw the seat on properly and sit comfortably into retirement.

That's why we encourage you to get some **free specialist guidance** from **Pension Wise** to help you make an informed decision about what to do with your pension savings.

Pension Wise is a government-backed service from MoneyHelper giving you **specialist and impartial guidance**, either face to face or over the phone.

With **Pension Wise**, you'll be speaking to an independent pension specialist, who will discuss your different pension options and help you understand what your overall financial situation will be when you retire.

So, if you haven't done so already, you can:

- Book your **free Pension Wise** appointment by calling **0800 100 166** or visiting moneyhelper.org.uk/nudge-public
- Or, give us a call on the number shown on your cover letter and we'll book an appointment for you.

FCA regulated financial advice

You can also obtain advice from an FCA regulated financial adviser who can provide advice suitable to your own personal circumstances. An adviser will charge for this service. If you don't have an adviser, you can find one in your local area at unbiased.co.uk

About your transfer

There are many reasons for wanting to transfer your existing pension from Aviva.

Please tell us the reason from the two alternatives below. Choose the main reason that best fits your situation (only choose one box).

☐ I'm consolidating my pension plans into one pot. Possibly because; easier to manage, lower charges, different investment choices, or more options at retirement, to mention just a few. (If you have ticked this box, you don't need to complete the rest of this form).

OR

☐ I'm transferring with a view to taking my plan benefits* and I've already decided which retirement option I want (usually you must be over age 55, or 57 from 6 April 2028, to take your benefits).

The guidance and advice you've received

If you've booked an appointment with Pension Wise or a financial adviser, please wait until after you've had your Pension Wise appointment or have received advice before returning your transfer application.

Please let us know what you've done below:

If you've received guidance or advice

☐ **I've received Pension Wise guidance**

My Pension Wise reference number is /

☐ **I've received advice from an FCA regulated financial adviser**

If your circumstances or your policy details (for example the value of any of your pension plans) have changed significantly, you may benefit from further guidance or advice as different pension options or considerations could apply.

If you wish to proceed without taking guidance or advice

We encourage you to get help with your pension option before you proceed without taking any guidance. If you've not attended a Pension Wise appointment that had been previously booked; you can always make another appointment, or we can book one for you, or you can get financial advice.

☐ I do not wish to receive any Pension Wise guidance or financial advice

Please let us know why you've decided not to take advice or guidance at this time:

- ☐ I feel I already have a good understanding / knowledge
- ☐ I don't see any benefit to me in getting guidance or advice
- ☐ I don't have time to wait / I'm not willing to wait / inconvenient appointment time for Pension Wise guidance or financial advice.
- ☐ Other - please tell us your reason here:
