

Plan Information Form

Details of arrangement

Pension Portfolio

This scheme satisfies the requirements set out in Part 4 of the Finance Act 2004.

Transfer Value Details

The transfer value is not guaranteed. It is calculated after the sale of any investment units, which will be placed once we have received all our transfer requirements.

We can facilitate in-specie and/or cash transfers out, if the receiving provider is happy for us to do so.

We accept transfers via Origo Options, or the policyholder can request discharge forms from us directly.

Plan Details

- No annuity options
- Allocation rate is 100%.
- The Pension input period is Tax year to Tax year.
- No guaranteed annuity rates
- No guaranteed minimum pension
- 25% Tax free cash, 75% Taxable flexible drawdown available
- No Terminal bonuses
- We have over 3000 funds with more than 110 fund managers.
- We don't have a hard limit of how many funds the client can have but we advise a soft limit of 50.
- Transfers can be accepted from other schemes, providing they meet our criteria
- More than 25% tax-free cash can be provided where the client has existing entitlement, providing that legal requirements are met. [Any transfer with protected TFC must meet block transfer requirements, and all benefits must be crystallised in a single transaction.]
- We do offer full and partial encashment from age 55. We offer flexi-access drawdown.
- Bid/Offer Spread: This can be identified on the Aviva for Advisers fund centre by using the fields Buying Price and Selling Price.
- With Profits funds are not applicable to this plan.

Details of MVA's/Early Transfer Charge

- There is no Market Value Adjustment/ Early Transfer Charges applicable to this plan.

Written Under Trust:

- Pension Portfolio can be written under trust – with the Pension Portfolio Trust. This trust falls away on transfer.
- Loyalty Bonuses: There are no loyalty bonuses applicable to this plan.
- Any guarantees: There are no guarantees associated with this plan. This includes guaranteed minimum pension and annuity rates.
- Waiver / Life Cover: There is no waiver or life cover applicable to this plan.
- Lifestyling: Not applicable to this plan.
- Earmarking: transfers of benefits subject to earmarking orders not accepted. We will also not support earmarking orders being made against benefits held within this plan.
- Disqualifying pension credit: this plan will accept funds awarded as part of a divorce settlement which have come from crystallised funds, with advance notice.
- Death Benefit: Any death benefits applicable to this plan are in line with current UK legislations at the time of death.

Value:

- The transfer value of this plan is the same as the current value.
- Flexi Access Drawdown: Flexi Single and Flexi Phased drawdown are available on this plan.

Uncrystallised Fund Pension Lump Sum (UFPLS):

- Uncrystallised fund pension lump sum is not applicable to this plan.
- All forms are available from the Platform Library on Aviva for Advisers
- On the Aviva Platform we do not require Discharge Paperwork, however if this is needed by the ceding scheme a blank copy can be found on our website using the search reference (LF01031)

Where to find Aviva charge information

Please note that if the client is subject to any special charging deals, these will be detailed on the client report.

You can find details of the standard Aviva charging structures in the Aviva Platform Due Diligence Toolkit LF01075. It's available in the Aviva For Advisers product literature library.
