Dear Sir or Madam

Policy information - Mrs Stead

Thank you for your recent enquiry.

I enclose a Policy Details Schedule, for your records. The details on the schedule may not take into account current or ongoing transactions.

Lost policy documents

Please do not worry if the policy documents can't be found, as we have a complete record of the policy details on our system.

We do not issue duplicate policy documents, as this could cause confusion if the original is found. If the documents cannot be found when the policy matures or a claim is made, we may ask the customer to complete a lost policy form.

If any of the details shown on this letter are incorrect, or if you require any more information, please call our UK-based Customer Contact Centre on 0345 960 0900 between 8:30 and 17:30, Monday to Friday. Calls to 03 numbers cost no more than a national rate call to 01 or 02 numbers and are included in inclusive minutes and discount schemes in the same way. If calling from outside the UK, please call +44 (0) 1733 793270. Alternatively, you can go to the 'Contact Us' section of our website at www.phoenixlife.co.uk.

Important

1. This statement must be read with the accompanying notes on the Policy details Statement. These notes clarify certain matters shown in the Statement that might otherwise be misleading if read on their own.
2. This statement is for information only. It is based on our records and is designed to show the position of your policy at the Statement Issue Date shown. The Statement (whether as a whole or any part of it) does not form part of any policy, nor does it add to the terms of any policy, nor does it alter or waive any term or terms in the policy. The Statement does not give all the information relating to your policy, and therefore should be read together with the relevant policy document(s).
3. We accept no responsibility for the accuracy of the information in the Statement which relates to ownership of the policy.
